

Small Group Handbook 2017–2018

Small Group Core Values

COMMUNITY

God is relational, so He created us to live in relationship with Him and each other.

Authentic community involves sharing life together and connecting on many levels with others in our group. Healing best occurs within the context of community and relationships. It's vital to see ourselves through the eyes of others, share our stories, and ultimately find freedom from the secrets and lies that enslave our souls.

BIBLE STUDY

Gain a deeper knowledge of God's Word

Interactive: God gave the Bible as our instruction manual for life. We need to deepen our understanding of God's Word. People learn and remember more as they wrestle with truth and learn from others. Bible discovery and group interaction enhance growth!

Sermon-Based: In effort to focus our study efforts and to "master" sections and themes of scripture, our small groups are normally tied to the Sunday morning sermons, which provides opportunity to take a passage of scripture and study it individually, discuss it with others and then experience it being taught from the pulpit.

EXPERIENTIAL GROWTH

Beyond solely reading, studying, and dissecting the Bible, being a disciple of Christ involves reunifying knowledge with experience. We do this by taking questions to God, opening a dialog with our hearts, and utilizing other ways to listen to God speak (other people, nature, circumstances). Experiential growth is always grounded in the Bible as God's primary revelation and our ultimate truth-source.

POWER OF GOD

Processes and strategies will be ineffective unless we invite and embrace the presence and power of God. In order to experience community and growth, Jesus needs to be the centerpiece of our group experiences and the Holy Spirit must be at work.

MUTUAL MINISTRY

Each member of the group is looking for ways to minister to the other members of the group, helping to meet each other's needs. This care will take many forms, such as praying, listening, meeting needs, encouraging and even challenging one another as needed.

MULTIPLICATION

All groups should also be prayerfully considering a way to extend the ministry of their Small Group through Multiplication. Multiplication means eventually forming two or more groups so that others who are not yet in Small Groups can continue to find places to connect with a Small Group.

SHEPHERDING

Small groups are the main channel for shepherding within our church. An elder is partnered with each of the small group leaders who together work to shepherd the people in the group and its "extended family."

Covenant Commitments

I Will Prioritize

While we are in this group, we will give the group meetings priority in our schedules and will also arrive on time.

I Will Participate

Everyone is encouraged to participate and no one dominates.

I Will Show Respect

Everyone is given the right to his or her own opinions, and all questions are encouraged and respected.

I Will Maintain Confidentiality

Anything that is said in our meetings is never repeated outside the meeting without permission.

I Will Show Care and Support

Permission is given to call upon each other at any time, especially in times of crisis. The group will provide care for every member.

I Will Be Accountable

We agree to let the members of our group hold us accountable to commitments we make in whatever loving ways we decide upon. Unsolicited advice giving is not permitted.

I Will Fill the Empty Chair

Our group will work together to fill the empty chair—either someone in the church who is not in a small group or an unchurched person or couple.

I Will Be Mission-Minded

We agree as a group to reach out and invite others to join us and to work toward multiplication of our group to form new groups.

I Will Minister

We will encourage one another to serve God within the church and also to get outside the walls of the church to serve in a way that impacts the world around us.

I Will Attend with Completed Homework

Joining a small group requires a commitment to attend each week and to do the homework ahead of time. Most weeks, the homework will require about thirty minutes to adequately prepare for the group study and discussion. Obviously, allowances are made for sickness, vacation, work conflicts and other special events — but not much more! This commitment is the key to a healthy group. If I am unable to come to a meeting, I will contact the small group leader to let him know.

Covenant Details

This covenant is reviewed and signed at the beginning of each quarter by all groups. Groups that are continuing, still review the covenant during the first meeting of each quarter.

This covenant will help us discuss and clarify our goals, expectations, and commitments as a group. Since healthy groups thrive on trust and participation, a clear covenant is an important starting point toward a successful group experience.
